Subject: Request for Implementation of Free-of-Cost Programmes under “Value Your Virtues” in Schools and Colleges (all educational institutions) across Assam

Respected Sir/Madam,

Greetings from Satyug Darshan Trust (Regd.), Faridabad, an expanded transformation of Mahabir Satsang Sabha, In this context, note that the World’s First “School of Equanimity and Even-Sightedness” also known as Dhyan-Kaksh has been constructed at Satyug Darshan Vasundhara, Greater Faridabad, in accordance with natural design principles described in the Satvastu Ka Kudarti Granth. Recognizing its sanctity, the Government of Haryana has declared it a place of interest, and likewise, the Government of India has recognized this site under the “Incredible India” campaign as an unparalleled example of architectural beauty.

In today’s era of Kaliyug, society has drifted far from its true essence, allowing vices to overshadow virtues in human thought and character. Consequently, timeless values such as Contentment, Endurance, Truthfulness, Righteousness, Equanimity, Selflessness, Benevolence, etc. have steadily receded from the collective consciousness.

Amidst the moral and spiritual decline of the present era, the School of Equanimity and Even-Sightedness emerges as a beacon of inner transformation, committed to reshaping the mindset, behavioural nature, and character of individuals. By guiding humanity from prevailing negativity towards a pious, positive, and value-driven way of life strictly as per Human Righteousness (Manav Dharma). Through its worldwide awakening mission, it seeks to re-establish Satyugian values within every individual—laying the foundation for harmonious families, awakened communities, and a compassionate, value centred society at large, infusing the essence of Vasudhaiva Kutumbakam (the world is one family).

You would be glad to know that the School of Equanimity and Even-Sightedness conducts free-of-cost workshops throughout the year, open to all without any discrimination based on caste, creed, colour, or religion. These workshops are designed to not only educate the younger generation about the importance of imbibing these timeless human virtues, but also provide practical guidance on how to consciously adopt them in daily life. Here, you would agree that witnessing the current situation it is utmost necessary to eradicate dualism, by participating in such a revolution.

In this connection, you will also agree that without such a revolution achieving the mission of Ek Bharat Shreshtha Bharat Vishesh Bharat is impossible. Taking in view the above facts, we humbly request the Government of Assam to kindly incorporate these online workshops into the educational framework for teachers as well as students by hosting these classes on the Government of Assam’s online e-learning portal, thereby enabling their wider dissemination

Under the aegis of

Satyug Darshan Trust (Regd.)

and ensuring that these value-based teachings reach students and citizens across the State. The workshops are fully aligned with the objectives of the National Education Policy (NEP) and focus on fostering self-awareness, self-improvement, and value-based living, without reference to or affiliation with any religion, sect, or region.

The School of Equanimity and Even-Sightedness is also being opened in various cities across India like Moradabad, Panchkula, Jalandhar, Ambala, Ludhiana. Free-of-cost classes will be conducted in these schools aimed at rekindling the forgotten human virtues in society.

The Government of Assam has been kind in extending its valued support for the conduct of our online free-of-cost value-based programmes during previous years through which we have collectively impacted lakhs of individuals worldwide and we request your permission to conduct the same programs in this year as well, namely:

- International Humanity Olympiad (6th April, 2026 – 7th September, 2026)
- Spiritual Eloquence – National Open Oratory Contest (6th April, 2026 – 7th September, 2026)
- Spiritual Echoes – Kavita Suman – National Open Poetry Recitation Contest (6^h April, 2026 – 7th September, 2026)
- Free Online Workshops based on moral values (Throughout the year)

We seek your continued patronage and support for the successful conduct of these initiatives as well as free online workshops based on moral values in the forthcoming years. The details of the above programmes, along with their objectives and societal impact, are enclosed herewith for your kind reference and consideration. We shall remain sincerely grateful for your kind support and guidance in this meaningful endeavour undertaken in the larger interest of social well-being and value-based development of society at large.

With warm regards,

TESTIMONIALS

I would like to express my sincere gratitude for the warm welcome and exceptional hospitality extended to us during the oratory contest hosted by Satyug Darshan Trust. The thoughtful assistance in every matter, the wonderful breakfast and lunch, and the awards given to the students were truly appreciated. The respect and kindness shown to us were commendable.

The guidance provided students will certainly help them in becoming responsible citizens and contribute towards building a better India. We look forward to nurturing a stronger relationship in the future and are committed to ensuring 100% participation from both our students and teachers in upcoming events.

Ms. Chandamani Sharma (Principal, GLH Public School, Rewari)

It was a wonderful and insightful programme which is an eye opener for the generation. The Very best thing I observed that the organization is working beyond any mythological limitations, purely and religiously for the Humanity, which is the very crucial need of Hour.

I feel overwhelmed and honored to be a part of this wonderful event. The vision of this trust is truly commendable, as it not only spreads awareness but also inculcates values in our future generations. It was a splendid event indeed.

Ms. Suchitra Katzal (Principal, Kasturi Ram International School, Delhi)

It is a great platform where we can introspect ourselves on the basis of moral and ethical values. I got to learn a lot of things through this Olympiad and would also recommend every human to become a part of this great initiative !

AVNI KUMARI (DAV Police Public School, Panipat)

Humanity Olympiad is one of the best initiative that teaches us to adopt humanitarian values such as contentment, endurance, righteousness, equanimity and many more values that play vital role in every individual's life.

MAHI GUPTA (Tagore Academy, Faridabad)

Humanity Olympiad helps to assess and self-introspect ourselves thereby eliminating bad thoughts and inculcate moral and ethical values.

AKANSH MIGLANI (Brightways International School, Kharkhoda, Sonipat)

Humanity Olympiad 2024 has taught us to keep our selfish interest aside and help each other whenever in need. Humanity means extending our unconditional support to each and every human being on this earth regardless of caste, creed and religion.
